

The screenshot shows a Google Analytics dashboard. At the top, there's a navigation bar with 'Sources' and 'Factors'. Below that, a line chart displays 'Sessions' over time. The chart shows a steady increase in sessions from left to right. Below the chart is a table with columns for Date, Sessions, and a third column. The table contains data for several dates, with the last date showing a significant spike in sessions.

Date	Sessions	
2017-07-24	10,000
